

Mission B4 Consulting integrates business processes and technologies globally to help mid-market and large enterprise subsidiary companies grow their business with SAP® solutions.

Value Helping midsized companies to prosper with SAP solutions, B4 Consulting focuses on engineering, construction, real estate, heavy equipment dealers, professional services, clean/green technologies, medical devices, and pharmaceutical industries. Our domain experts use SAP Best Practices to accelerate the time to value of SAP solutions. An SAP gold Channel Partner, B4 Consulting uniquely supports customers throughout the solution lifecycle -- from business process assessment to SAP solution selection to implementation and ongoing support.
