

Mission	B4 Consulting integrates business processes and technologies globally to help mid-market and large enterprise subsidiary businesses realize quantifiable results from their SAP solutions.	
Value	Helping midsized companies grow using SAP solutions, B4 Consulting focuses on industries spanning engineering, construction and operations; professional services; clean/green technologies; medical devices; and pharmaceuticals. With a team of domain experts and SAP industry veterans, B4 Consulting supports customers throughout the solution lifecycle -- from business process assessment to SAP solution selection to implementation and ongoing support. B4 Consulting's deep SAP knowledge and industry experience help customers accelerate the time-to-value of their SAP solutions. A gold-level SAP partner, B4 resells and implements SAP solutions for the midmarket, and offers qualified SAP Business All-in-One partner solutions including B4 ProSuite for EC&O and B4 ProSuite for Professional Services.
