

B4 Consulting Co-sponsors Associated General Contractors of America IT Forum Conference

*Full-service SAP Gold Channel Partner Supports Advancement
of New Technologies for Construction Industry*

Waltham, Mass. — August 10 , 2011-- [B4 Consulting](#)®, helping companies grow with SAP® software, services and support, today announced its co-sponsorship of the 2011 IT Forum Conference of The Associated General Contractors (AGC) of America. The Forum, which brings together IT professionals, showcases the latest developments and technologies for the construction industry. B4 Consulting, an SAP gold channel partner and 2010 SAP High Growth Partner of the Year in North America, is authorized to resell and implement SAP solutions for the construction industry. [The AGC of America IT Forum Conference](#) will be held in Chicago, (IL) from August 11 -12.

“B4 Consulting has a dedicated practice of industry consultants who enable construction companies – regardless of size or location – to gain operational efficiencies and improve their bottom line with SAP solutions,” said Klaus Schottenhamel, president and CEO of B4 Consulting. “The AGC’s IT Forum is a great opportunity for us to support the advancement of technologies that give general contractors a competitive edge – from the back office to the job trailer.”

B4 Consulting implements SAP solutions across business segments spanning commercial construction, general contracting, homebuilding, design/build, equipment distribution, field services, and engineer/procure/construct. To accelerate the time to value of SAP solutions and significantly lower implementation costs, B4 Consulting uses SAP Best Practices.
